MAYORALTY CANDIDATES

Last week, an article in the daily paper mentioned the possible contenders for the coming mayoralty election in St. Albert next October. Several names were mentioned. We regret to say that this article was quite misleading. The facts are: Mayor Wm. Veress still reserves the right to present himself before the people in the next election; Dr. Guts was never contacted nor did he make such a statement; Councillor Richard Fowler made no such statement; and former Town Manager, Mr. Gordon Parkes also has not made any statement in this regard. At the moment, nobody knows what will happen.

We have the feeling that before any candidate is mentioned, Council and the citizens of St. Albert will have to decide what form of government they want for the future of our town. The present form, with a senior administrator and an unpaid mayor is not satisfactory to everyone, but the alternative, with Council and a salaried mayor would bring other problems because then the town couldn't afford to have a high paid senior administrator. This matter would have to be decided by a plebiscite. Besides these decisions, much will depend on what the electors and voters associations set up for the coming elections. Are these associations also planning to nominate candidates for the school boards? If so there could be big changes in the general town election campaign. There are many questions and there are many difficult problems which have to be solved before any candidate can state that he is running.

There is another possibility which might solve all the problems at once. If Council decided to apply for city status for the Town of St. Albert, everything could start afresh, which could be a good thing in this maze. There aren't too many advantages in city status over town status, but more borrowing power in city status could be important for our town.

There are still one and a half summer months left. During this time our citizens should think this problem over seriously, so that in the coming election in October they can vote intelligently.

QUALIFICATIONS

During the past month we have had many questions regarding the qualifications of our present town engineer. We would like to make it quite clear that we have no personal animosity towards Mr. Ray Loch, but we feel that our taxpayers have the right to know who is head of this very important department. The reason we question is that during a recent council meeting Councillor Shrabot suggested that to save money for the town, our Town Engineer could make estimates for the development of the new Glenview Subdivision. It was stated quite clearly by most of the Councillors that our Town Engineer was not yet qualified to do this. Following this, we contacted the Town Engineer asking for a reply, but this he was not willing to give. We hope that this article will prompt a clear answer regarding this matter for the sake of all our taxpayers, who certainly have the right to know if this important department is in the hands of a fully qualified man.

We hope that this "not yet qualified" doesn't mean that our town is a kind of testing ground for future engineers, for we certainly can't afford that. Generally our relations with the town staff have been very good and we have never had any complaint. But we feel that the local press (who are also taxpayers in this town) should be able to get information without hesitation. This is what the citizens of St. Albert expect from us, but we need the 100% co-operation from those who can give this information.

PLAYGROUND OPENING SUCCESS

For many children 9 p.m. marked the completion of a very successful and happy July 6. Memories of the colorful parades, games, races and bonfires that marked this well attended carnival may linger in the minds of more than a few of our young residents for many days to come. As for the employees of the Parks and Recreation Department, the success of this venture, beyond any doubt, has encouraged their enthusiasm to remain for the completion of the summer season. The hours of extra time that have been put in by Mr. André Gate and his crew of seven playground leaders have paid off beyond their most optimistic expectations.

In each of the three areas, the parade around the playground started the program: the beautifully decorated bicycles and imaginative costumes were a sight for sore eyes. Immediately following the parades, the official opening ceremony of each playground was observed. Officiating were Mr. George Lee of the

Public School Board, Mr. Mike Page of the Kimmen Club and Councillor Fowler, at Sturgeon Heights, Grandin Park and Mission Park playgrounds respectively. Then prizes were given for the best costumes and bicycle decorations. Games and sports events followed. The evening finished off with a weiner roast and a singsong.

The Parks and Recreation Department wishes to use this opportunity to thank all the organizations and individuals who donated so much of their time and money to make the Playground Opening the success that it was. First, we would like to thank Mr. Lee, Mr. Page, and Mr. Fowler for their important part in the opening ceremonies. Much appreciation is directed toward Safeways, Mr. George Willis of the Lions Club and Mr. Cliff Gallant of the Knights of Columbus for their large donations of candy and prizes. Mrs. Theresa Bourgeois and Mrs. Don McRae of the C.W.A., Mrs. Parkes, Mrs. Merlin and Mrs. Duta donated the refresh-

ments that were so welcome during the weiner roasts later in the evening. Special thanks go to Mr. Metelenbos for his outstanding leadership during the parade and games events at the Sturgeon Heights Playground; very helpful also were the members of the girls' fastball teams, the Legion and other groups who were so helpful in organizing the activities on the three playgrounds. Three members of the Fire Department, Frank Ricard, Paul Poulin and Val Nigel were on hand to tend to the fires. Jane Metelenbos, Donna Rockwell and the countless other individuals who became involved in the organization of the proceedings are very worthy of mention. The Department also wishes to thank the St. Albert Hardware and Bolley Building Supplies for supplying at so little profit, the playground equipment which has already become so useful on the playgrounds.

The Town looks forward to continued interest and use of playground facilities by both youngsters and parents throughout the summer season.

GROWING WITH YOUR COMMUNITY

This is your new, modern St. Albert Savings and Credit Union office which will be officially opened this Saturday at 2 p.m.

WE ARE ALSO OPEN DURING THE EVENING !

More and more citizens of St. Albert & District are joining the St. Albert Savings & Credit Union. For this reason the St. Albert Office will remain open Wed. - Thu. - Fri. from 10 a.m. - 9 p.m. Tue. from 12 noon - 6 p.m. and Sat. from 9 a.m. - 5 p.m. The remarkable growth of our business in St. Albert is shown in the following figures.

PEE-WEES - CHAMPIONS

Last Saturday, July 4th at the Clark Soccer Stadium, the St. Albert Hercules Soccer Club PeeWee Team beat the Ritchie PeeWee team by a score of 2-0 to become Edmonton & District Champions. They received three trophies: one for the Edmonton & District Championship, one for the North Edmonton Championship and the third for the most outstanding player - Steve Walker. It was quite a surprise to the spectators to see the superior St. Albert team win this long awaited title over the Ritchie team who have held it 5 years in a row.

The fate of the St. Albert Bantam Team is a sad story. They also became Northern District Champions and also played off the Ritchie Bantam Team, and won. But at this point, the executive of the Edmonton & District Minor Soccer League decided that the St. Albert team had used irregular players and therefore were not entitled to come out in the finals. This very unfair decision was naturally furiously opposed by the executive of the St. Albert Soccer Club, because they could prove that this bantam team had played the full league games and during that time there was never any protest. As the coach of the Ritchie Bantam Team was also the secretary of the Edmonton & District Minor Soccer League an unbiased decision couldn't be expected.

The St. Albert Soccer Club will now challenge the champions in a game which they hope can be played in St. Albert as soon as possible. Plans are also being made to have an exhibition game on Civic Day, August 3rd.

Anyone wishing more information regarding soccer activities in St. Albert & District, please phone the secretary of the St. Albert Soccer Club, Mr. Tom Ferguson at 599-7061.

see next page picture of Bantam team.

PICTURES

Players Clayton Hodge and Michael Kelly urge their team on to victory with this sign.

The PeeWee Champions, kneeling from left to right: Steve Walker, (scored 2 goals) Jamie Gates, Bruce Hittinger, Robert Buisvert (goalie), Bobbie Langevin, Michael Kelly, Clayton Hodge. Standing: Philip Thompson, Daryl McLean (captain), Bill Clendenning, Alex Netelenbus, Wayne Dorn.

The victorious champs with their trophies. In the foreground are: Steve Walker with his trophy for outstanding player, Captain Daryl McLean with the Edmonton & District Trophy, and Assistant Captain Alex Netelenbus with the North Edmonton and District Cup. Bantam Coach, Mr. G. Bruinink between Walker and McLean, was one of the linesmen in this game.

UNHAPPY

HERCULES BANTAMS

These disappointed players just found out they were ineligible for the championship. First row, left to right: Martin McLean, Cliff Jones, Jim Yushin; 2nd row: Terry Hynnew, Keith Ahronson, Bill Tomlinson; 3rd row: Jimmy Longevin, Ken Forbes, John Metelenbos (goalie and captain), Ken Dolhagary, John Williams.

Missing on this picture are Gary Underschultz, Andy Keck and Armin Kaupilla.

Rear: David Locke, Leo Biledeau, Glen Weck, Gary Crosley, Adams.

Missing: Bob Carlson.

Coach: David Isehe.

Moment of Decision. R. Kambouroff, David Isehe and Jim Roberts, umpire.

BASEBALL

There were 10 Little League and 4 Pony League teams, each team consisting of at least 20 players, in the 1964 season. The Little League played 18 schedule games. Playoff's were between the 1st and 3rd place teams, and 2nd and 4th place teams. The winning team was Safeway, coached by Mr. Rene Kambouroff. They were awarded the St. Albert Community League Trophy.

The Pony League series was won by C Team coached by Mr. Lloyd Gingrich. They were

awarded the Bermont Insurance Agencies trophy.

Although the baseball league schedule was organized late in the season, the results have been surprisingly successful. We would like to thank all organizations, sponsors, coaches, umpires, and all other individuals connected with the promotion of this year's baseball. Special thanks to the St. Albert Community League who donated a very substantial amount of money to support this sport.

Councillor Richard Fowler throwing the first ball.

Coming into your life...

A GREAT NEW ADVENTURE IN SHOPPING!

Will Open Early This Fall!

New features will highlight Canada's most beautiful store

How proud we'll be to introduce you to your new Johnstone Walker store in the early fall. It will be a beauty inside and out... a masterpiece of design that will treat you to a shopping pleasure that you have never experienced before. Many months in the planning, Johnstone Walker Westmount will incorporate new innovations that we feel will make it Canada's most beautiful store—designed with your shopping convenience as the first and foremost thought.

Built on a unique tri-level plan, JW Westmount will have over 30,000 square feet of space and boast such innovations as sky-domes in the roof for true-color natural daylight, a circular tea-lounge centred on a huge hooded fireplace with gas-fired logs, a stairway moulded and carved from a gigantic block of laminated white oak—plus many more features that have been designed to bring you a new enjoyment in shopping. This will be your new Johnstone Walker Westmount!

WELCOME WAGON

Mrs. Ursula Van Heel, Edmonton Hostess, looks on as Jack Manarey of Spartan Car

Sales gives the keys of the new "Welcome Wagon" to St. Albert Hostess, Mrs. Merle Vacirca.

Welcome Wagon's first call was made July 6th. Mrs. Van Heel, Edmonton Hostess, Mrs. Merle Vacirca, St. Albert Hostess, greet Mrs. Rodney Erickson and daughters Melonie and Shannon, 12 Grandin Rd. The Erickson's are newly arrived from Winnipeg.

While Welcome Wagon is new to St. Albert it has served communities all across the continent for over 35 years.

The St. Albert welcome wagon is sponsored

ed by a cross section of local merchants and services. On their behalf, Mrs. Vacirca will be calling on all newcomers acquainting them with our town, its services and recreational facilities. For quite sometime, the local business men have wanted a direct contact with the many new people coming in, and Welcome Wagon, often called 'the public relations with a heart', enables them to greet, welcome and service St. Albert's new friends.

The Party Line

The heat is on! and how! Keeping cool is an art these days. Here are some cooling ideas.

Mix equal parts water and skin freshener or cologne, bottle and store in the fridge. Splash on arms, legs and pat on face for a really cooling pick-up. (Note: As scents are noticeably stronger in hot weather, the half and half dilution is a must!)

After an afternoon in the hot blazing sun, the eyes are often tired and irritated. Here's an eye pack that refreshes and pretties: equal parts water and lime juice. Saturate cotton pads, place over eyelids for 10 minutes while you rest in a dark room.

Remember, rushing about only stirs up further body heat, so try to move a little slower to stay a little cooler.

Spiced Iced Coffee

Pour 3 cups hot double strength coffee over 2 cinnamon sticks, 4 cloves, 4 all spice berries. Let stand one hour then strain. Cool in fridge. Pour over ice cubes in tall glasses. Serve with sugar and cream or top with whipped cream and sprinkle with cinnamon.

This 'Cool Coffee' is especially nice after cook-out entertaining.

CLUB NOTES

The Women's Institute held their June meeting Tuesday, June 30th at the home of Mrs. J. Rouault. Several new convenors for next year were appointed. At roll call the members had some very useful hints for the coming canning season. A game was organized by Mrs. K. Bonneville. This was the Institutes last meeting until fall.

We'd like to wish all our ladies organizations a happy holiday. Thank you to all those ladies who have reported for their clubs this past season. See you in September!

From Our Readers

Dear Sir,

I would personally like to thank the Community League, who picked up the tab for five teams, Mr. B. Montpetit and his commissions who worked hard to set this league up on short notice, all persons and organizations who helped sponsor, coach and umpire this ball schedule.

I would also like to thank the parents who attended the games, although few, and would like to ask the parents who did not attend if they didn't care what their boys were doing and let someone else look after their boys.

The commission that set up this league will start early next year to set it up again. Please, therefore, think it over, we can do a lot with these boys but lots more can be done with your help which was not very much this year. Let's make it better next year.

Once again, thanks to everyone who helped this year.

R. Lambouroff, Coach,
Safeway Ball Club.

Dear Sir,

Why should 3, 4 and 5 year old children attend school

A child's actions during the first 3 years of his life, are directed by those objects in his environment on which his eyes happen to fall. Around the age of 3 years the child starts to use the word "I" instead of his name to indicate his own person. This means psychologically the child has reached the mental ripeness of distinguishing what belongs to his own bodily sensations and actions, and what belongs to the environment. In short, his self-consciousness has developed and with this his own personal will. Through his actions the child can now apply his will to objects around him. He starts to draw, build, dance, etc., according to his own imagination and not any more by imitations. Now we can begin to educate the child, with the co-operation of his own will, by providing him with the right impressions on which the child can build his own imagination. Providing the child with these impressions that are right for his development into a child who contributes to society in a self-responsible way, is the task of parent and teacher. As parents are already involved with more tasks (household, earning money, other than the essential one of child-rearing), the child-rearing task is often left to the teacher. The teacher, however, is often not equipped with the right impressions and the right methods to provide them. The child, therefore, is often left to his own imagination, which is often not the best one. The child, therefore, is often left to his own imagination, which is often not the best one.

touch, smell, movement and balance. So the teacher of the pre-school child has to offer the widest assortment of materials suitable to provide an almost infinite amount of impressions through these senses. By doing so these children will be given the greatest opportunity of enriching their knowledge of the world around them and at the same time making them conscious of the great variety of impressions that can be received through the use of even one sense. The teacher has to show the child, each material has its own peculiar properties that define the ways in which this material can be used, i.e. wood for sturdy construction, threads need to be supported, etc. The intelligent child discovers these properties of the different materials soon enough, after which his imagination can freely come to action, an imagination nourished by the right impressions provided by poems, stories, songs, etc.

In fact, the pre-school child is in a period of heightened sensitivity for the acquirement of knowledge through the senses. Educators have to make appropriate use of this period as it will be followed by periods of sensitivity for moral values, for the powers of thinking etc. The knowledge acquired in each period will not be lost in each successive period. When the child has grown up and has been given an all-round education through the full use of an appropriate teaching according to these sensitive periods, this adult will be able to choose a satisfying and full profession wherein that experience is used to the best advantage. From these experiences he can choose those which will give him the greatest satisfaction in his free time. In our age of automation, free time will increase to the extent that people will not be able to fill this idle time anymore with TV, boating, travelling etc. People will need an inner resource which will give them free-time satisfaction. The seed for this inner resource is laid by making full use of each sensitive period of education.

"Redata"

by Mrs. R. Lefebvre

Baptism:

Normand Paul, son of Mr. & Mrs. J.B. Jackson.

UNITED CHURCH

On Sunday, 2 June, a service of Infant Baptism was celebrated during the morning service. The following were baptized: Cameron Low, son of Mr. & Mrs. J.B. Jackson, Charles Smith, son of Mr. & Mrs. J.B. Jackson.

J. L. Pickle; Terri-Anne, daughter of Mr. & Mrs. R. L. Shortill; Joy Ann, daughter of Mr. & Mrs. L. H. Thomas; and Shelly Lynn Findlater, daughter of Mr. & Mrs. J. B. Findlater. Mr. Bob Thompson, Student Assistant, assisted Dr. Schwarz in the baptismal service and preached the sermon.

On Friday, 26 June, between 3-4 p.m., a social hour was held for the children of the "Tiny-Tot" program and their mother. Some 30 children and 20 mothers were in attendance. This program for 3 year olds was started last year with the view of providing a transition class between the Church Nursery and Sunday Church School. In a matter of weeks the class was roomed from its start at no members to its present role of 36 children. Parents interested in knowing more about the program should call the co-ordinator, Mrs. G. Bronson, at 599-7138.

During the months of July and August the United Church congregation will be meeting with the Baptist congregation. The services, which are at 9:30 a.m., will be held in the United Church which is located on the west side of the St. Albert Trail, 1 block south of the McHenry Avenue Overpass. During August the pulpit supply will be the responsibility of the Baptist congregation and during July it will be the responsibility of the United Church congregation.

On Sunday, July 5, Miss Maureen Holland was introduced to the congregation as their scholarship student to Karamata Christian Leadership Training School in British Columbia. Maureen will attend a week long course in Hi-C leadership and programming. The Service concluded with the service of Communion conducted by Dr. Schwarz.

On July 19, Mr. Morgan Lloyd, Missionary to the Indians at Duffield, will be the guest preacher. On July 26 there will be a service of Infant Baptism conducted by Dr. Schwarz.

WHAT'S A LAMRON

They're fuzzy little animal-like, cartoon like, almost human-like creatures called Lamrons (That's normal spelled backwards). They are the creation of Mr. Meredith Evans, who has recently opened an Art Supply shop and gallery on Piron Street. These adorable little characters began as a cartoon illustration in an Army magazine years ago; several changes and adaptations later they emerged as completely captivating individuals in full color with the original name "Lamron". They're

perfect for dens, rumpus rooms, kitchens and some are especially suited for children's rooms. Speaking of children - kids and Lamrons really take to one another like bandaids to scraped knees. If you're down on Piron Street, drop in and see Mr. Evans and his Lamrons. You will find them catching your fancy too. While there, browse awhile. Mr. Evans has the work of several fine Alberta artists on display. But see the Lamrons first!!!

ST. ALBERT & DISTRICT COMMUNITY LEAGUE
